# TRUCK DOORS - REPAIR PARTS

## 3/4" Dry Freight Wood Doors

The 3/4" dry freight wood doors incorporates a premium seven ply, marine grade panel material with upgraded core liner and quality craftsmanship to produce a top quality, low cost product to meet your general truck and trailer door needs.

This product combines great quality with economic options resulting in the perfect solution for your transportation fleet needs.

Our doors offer the highest quality available for surface finish.

They are available in a primed finish or with our high quality premium urethane grade coating that offers the strength, durability and reliability for those extra tough road conditions.
